Academic Positions

- October 2023 - **Post-doctoral researcher**, Supervisor: Sofiane Bouarroudj
September 2026 Division of Sciences and Mathematics, New York University Abu Dhabi (United Arab Emirates)
October 2020 - **PhD Student**, Supervisor: Abdenacer Makhlouf
September 2023 Institut de Recherche en Informatique, Mathématiques, Automatique et Signal (IRIMAS), Université de Haute-Alsace, Mulhouse (France)

Education

- February 2024 **Qualification aux fonctions de Maître de Conférences**, French national scientific qualification as Associate Professor, Section 25 (Mathematics)
October 2020 - **PhD in Mathematics**, *Study and Deformations of Lie-Rinehart (Super)algebras in Positive Characteristic*, Supervisor: Abdenacer Makhlouf
September 2023 Institut de Recherche en Informatique, Mathématiques, Automatique et Signal (IRIMAS), Université de Haute-Alsace, Mulhouse (France)
2019 - 2020 **Master's Degree in Science and Technology**, *Topology, Algebra and Representations*
UFR de Mathématique et d'Informatique, Strasbourg (France)
2019 **Agrégation of Mathematics**, *Competitive French secondary-school and university teaching degree*
2017 - 2019 **Master's Degree in Science and Technology**, *Higher Education Teaching*
UFR de Mathématique et d'Informatique, Strasbourg (France)
2016 - 2017 **Bachelor's Degree in Science and Technology**, *Mathematics*
UFR de Mathématique et d'Informatique, Strasbourg (France)
2014 - 2016 **Preparatory Class**, *Mathematics, Physics and Engineering (MPSI-MP)*
Lycée Kléber, Strasbourg (France)

Grants

- November 2024 **Post Doctoral Associate Conference Travel Grant**, NYUAD Graduate and Post-Doctoral Programs, 1000 US\$.

Preprints

- Preprint 11. **Q. Ehret**, *On Poisson superalgebras in characteristic 2*, [arXiv:2512.06680](#), December 2025.

Conferences and Workshops with Talks

- January 2026 **Conference**, OMC Winter Mathematics Research International Workshop on Lie Algebras and related topics, Sultan Qaboos University, Muscat (Oman)
Talk: The Superization of Hochschild’s Lemma and Restricted Lie-Rinehart Superalgebras
- September 2025 **Conference**, X International Workshop on Non-Associative Algebras, Bourgogne Europe University, Dijon (France)
Talk: Lagrangian extensions of Lie superalgebras in characteristic 2
- September 2025 **Conference**, China-Central Asia Algebraic Conference 2025 , Almaty (Kazakhstan)
Talk: Restricted Poisson algebras in characteristic 2
- June 2025 **Conference**, Workshop on algebras and applications in mathematical physics, Chern Institute, Nankai University, Tianjin (China)
Talk: Restricted Poisson algebras in characteristic 2
- December 2024 **Conference**, 6th Euro-Maghreb Conference in Algebra, Geometry and Lie Theory, Hammamet (Tunisia)
Talk: Lagrangian extensions of Lie superalgebras in characteristic 2
- November 2024 **Conference**, Non-associative algebras, representations and applications International Conference, SUSTech, International Center for Mathematics, Shenzhen (China)
Talk: Central extensions of restricted Lie superalgebras and classification of p -nilpotent Lie superalgebras in dimension 4
- July 2024 **Conference**, MATHéOR Days 2, Sainte-Marie-aux-Mines (France)
Talk: Central extensions of nilpotent Lie superalgebras
- February 2024 **Conference**, VII International Workshop on Non-Associative Algebras, University of Salento, Lecce (Italy)
Talk: Central extensions of restricted Lie superalgebras and classification of p -nilpotent Lie superalgebras in dimension 4

- June 2023 **Short communication**, *PhD Students Day 2023*, Université de Haute-Alsace, Mulhouse (France)
Talk: Study and deformations of Lie-Rinehart (super)algebras in positive characteristic
- April 2023 **Conference**, *Euro-Maghreb Conference in Algebra, Geometry and Lie Theory*, Sousse (Tunisia)
Talk: Symplectic double extensions for restricted quasi-Frobenius Lie (super)algebras
- October 2022 **Conference**, *IV International Workshop on Non-Associative Algebras*, University of Beira Interior, Covilhã (Portugal)
Talk: Deformations of Lie-Rinehart (super)algebras
- September 2022 **Conference**, *New Trends in Hopf Algebras and Monoidal Categories*, University of Torino (Italy)
Talk: Lie-Rinehart (super)algebras
- June 2022 **Conference**, *Conference of differential geometry, contact geometry, dynamical systems and beyond, in memory of Robert Lutz*, IRIMAS, Département de Mathématiques, Mulhouse (France)
Talk: Lie-Rinehart (super)algebras
- November 2021 **Poster**, *Research School Higher Structures Emerging from Renormalisation*, Erwin Schrödinger Institute, Vienna (Austria)
Poster: On classification and deformations of Lie-Rinehart superalgebras
- November 2021 **Talk in a workshop**, *Optimal Transport Workshop*, Université de Haute-Alsace, Mulhouse (France)
Talk: Birkhoff theorem and optimal transport
- May 2021 **Talk in a workshop**, *K-Theory Workshop*, Institut de Recherche Mathématique Avancée, Strasbourg (France)
Talk: About the Grothendieck group K_0

Seminars

- April 2026 **Seminar**, *Séminaire Théorie de Lie, Géométrie et Analyse*, Université de Lorraine, Metz (France)
Talk: Lie-Rinehart superalgebras in positive characteristic
- February 2025 **Seminar**, *NYUAD Math Post-Doc Seminar*, New York University Abu Dhabi (United Arab Emirates)
Talk: On Lie superalgebras in characteristic $p = 2$
- January 2025 **Seminar**, *ART Seminar*, Institut de Recherche Mathématique Avancée, Strasbourg (France)
Talk: Central extensions of restricted Lie superalgebras and classification of p -nilpotent Lie superalgebras in dimension 4
- April 2024 **Seminar**, *NYUAD Math Post-Doc Day*, New York University Abu Dhabi (United Arab Emirates)
Talk: Restricted Lie algebras in characteristic $p = 2$
- March 2024 **Seminar**, IRIMAS, Département de Mathématiques, Mulhouse (France)
Talk: Central extensions of restricted Lie superalgebras and classification of p -nilpotent Lie superalgebras in dimension 4
- January 2024 **Seminar**, *GTP Seminar*, New York University Abu Dhabi (United Arab Emirates)
Talk: Central extensions of restricted Lie superalgebras and classification of p -nilpotent Lie superalgebras in dimension 4
- March 2023 **PhD Seminar**, *PhD seminar of the IRMA Institute*, Institut de Recherche Mathématique Avancée, Strasbourg (France)
Talk: Restricted structures on the Heisenberg algebra
- January 2023 **PhD Seminar**, *PhD seminar of the IRIMAS Institute*, IRIMAS, Mulhouse (France)
Talk: Algebraic structures emerging from genetic inheritance
- December 2022 **Seminar**, Institute of Mathematics and Statistics of Tartu (Estonia)
Talk: Chevalley–Eilenberg cohomology and deformations of Lie algebras in positive characteristic

March 2022 **Seminar**, IRIMAS, Département de Mathématiques, Mulhouse (France)
Talk: Cohomology and deformations of restricted Lie algebras in positive characteristic

February 2022 **PhD Seminar**, *PhD seminar of the IRMA Institute*, Institut de Recherche Mathématique Avancée, Strasbourg (France)
Talk: A survey about deformations of Lie algebras

Attended Conferences and Research Schools (without talks)

April 2025 **Conference**, *UAE Math Day*, Annual meeting of the mathematicians of the UAE, University of Sharjah, United Arab Emirates

February 2025 **Conference**, *Conference on Lie Theory and related Topics*, (Organizer)
New York University Abu Dhabi, United Arab Emirates

June 2024 **Conference**, *Conference on Algebra and Deformations*, in honor of Abdenacer Makhlouf for his 60th birthday, (Organizer)
Université de Haute-Alsace, France

March 2024 **Conference**, *UAE Math Day*, Annual meeting of the mathematicians of the UAE, (Organizer)
New York University Abu Dhabi, United Arab Emirates

November 2023 **Conference**, *SICMS23*, Sharjah International Conference on Mathematical Sciences
University of Sharjah, United Arab Emirates

June 2023 **Conference**, *MAThEOR Days*, Annual meeting of the PhD Students of Region Alsace and surroundings, (Organizer)
Sewen, France

April 2023 **Research School**, *Higher Structures in Geometry and Mathematical Physics*
Centre International de Rencontres Mathématiques (CIRM), Luminy (France)

December 2022 - **Workshop**, *Associators, Categories and Multizetas values*
July 2023 IRIMAS, Mulhouse (France)

November 2022 **Conference**, *GDR Renormalisation Annual Meeting 2022 : Hopf Algebras and Applications*
Université du Littoral Côte d'Opale, Calais (France)

July 2022 **Conference**, *Hopf algebras, monoidal categories and related topics*
Simion Stoilow Institute of Mathematics of the Romanian Academy, Bucharest (Romania)

November 2021 **Research School**, *Higher Structures Emerging from Renormalisation*
Erwin Schrödinger Institute, Vienna (Austria)

September 2021 **Conference**, *Mathematics without Borders: The Centennial of the International Mathematical Union*
Strasbourg (France)

June 2021 **Research School**, *Symplectic Structures in Mathematics and Applications to Control Theory (remotely)*
Hassan II University, Casablanca (Morocco)

Teaching

2025–2026 **Capstone mentoring**, 3 students. Co-mentoring with S. Bouarroudj.
New York University Abu Dhabi (United Arab Emirates)

Spring 2026 **Recitations, Algebra 1**, (Groups Theory), 10h.
New York University Abu Dhabi (United Arab Emirates)

Summer 2025 **Occasional replacements in Multivariable Calculus**, 6h.
New York University Abu Dhabi (United Arab Emirates)

Spring 2025 **Recitations, Algebra 1**, (Groups Theory), 10h.
New York University Abu Dhabi (United Arab Emirates)

Fall 2024 **Occasional replacements in Calculus**, 5h.
New York University Abu Dhabi (United Arab Emirates)

- Spring 2024 **Recitations, Algebra 2**, (Rings, Fields, Galois Theory), 10h.
New York University Abu Dhabi (United Arab Emirates)
- Spring 2021-2022-2023 **Lectures, Linear Algebra and Geometry**, 28h each year, First year of Engineering School ENSCMU and ENSISA.
Université de Haute-Alsace, Mulhouse (France)
- Spring 2021-2022-2023 **Lectures, Real Analysis**, 16h each year, First year of Engineering School ENSISA.
Université de Haute-Alsace, Mulhouse (France)
- Fall 2020-2021-2022 **Lectures, Numerical Analysis**, 20h each year, Second Year of Engineering School ENSISA.
Université de Haute-Alsace, Mulhouse (France)

Other activities, popular science and scientific dissemination

- June 2025 **Popular Science, Career : mathematician, from Mulhouse to Abu Dhabi**, Math C2+ internship, short talk (in French) aimed at high school students
Université de Haute-Alsace, Mulhouse (France)
- February 2025 **Member of an Organizing Committee, Conference on Lie Theory and Related Topics**
New-York University, Abu Dhabi (United Arab Emirates)
- Since September 2024 **Member of an Organizing Committee, Post-Doc Seminar**, Semimonthly seminar of the Math Post-Docs at NYUAD
New-York University, Abu Dhabi (United Arab Emirates)
- July 2024 **Member of an Organizing Committee, MAThEOR Days 2**, Conference of PhD students and young researchers of Alsace and surroundings
Université de Haute-Alsace and Université de Strasbourg (France)
- June 2024 **Member of an Organizing Committee, Conference of Algebra and Deformations**
Université de Haute-Alsace, Mulhouse (France)
- March 2024 **Member of an Organizing Committee, Math Day 2024**, Annual meeting of mathematicians of the UAE
New-York University, Abu Dhabi (United Arab Emirates)
- June 2023 **Main Organizer, MAThEOR Days**, Conference of PhD students and young researchers of Alsace and surroundings
Université de Haute-Alsace and Université de Strasbourg (France)
- November 2022 **Popular Science, Conference on Magic Squares and Optimal Transport**
Université de Haute-Alsace, Mulhouse (France)
- June 2022 **Member of an Organizing Committee, Conference of Differential Geometry, Contact Geometry, Dynamical Systems and beyond**, in memory of Robert Lutz
Université de Haute-Alsace, Mulhouse (France)
- March 2022 **Popular Science, Math workshop in a Primary School**, (2h)
Ecole primaire d'Uffholtz (France)
- September 2021 - September 2023 **Elected Representative, for doctoral students of the University of Haute-Alsace on the board of the Doctoral School**, ED 269 (MSII)
Mulhouse and Strasbourg (France)
- 2021-2022 **Popular Science, Math workshop in High School, MATH.en.JEANS**, (6 months)
Lycée Scheurer-Kestner, Thann (France)

Miscellaneous

- Languages **French (Mother tongue), English (professional and colloquial), German (Intermediate), Arabic (basic notions)**
- Programming **L^AT_EX, Python, Mathematica, html, Microsoft tools**
